

BOTANIC GARDENS AUSTRALIA AND NEW ZEALAND INC

PRINCIPAL ACTIVITIES OF BGANZ FOR THE 2004 FINANCIAL YEAR

The BGANZ interim Committee has met twice in the last financial year, in Perth, WA on Wednesday 6 October, 2004 and in Sydney on Tuesday 8 March, 2005.

Discussion at both these meetings centred around future directions of BGANZ, especially governance issues, the composition of membership categories and a fee structure. The outcome of these discussions have necessitated that some alterations be made to the Constitution to accommodate proposed changes.

A firm of Chartered Accountants in Canberra, Beames and Associates, have been employed to assist in financial matters and with advice on administrative matters relating to an Incorporated Association.

A time-line of actions has been drawn up and implementation of this is currently on track.
