

Australian Government

Department of the Environment,
Water, Heritage and the Arts

The Department of the Environment, Water, Heritage and the Arts delivers the Australian Government's environment, water resources, heritage and arts policies and programmes.

If you would like to be part of an innovative and dynamic organisation that offers a challenging work environment with excellent opportunities for development and advancement, values its people and provides flexible working arrangements to achieve work-life balance, apply now.

Indigenous Protected Areas Section, Parks Australia Division

APS Level 5/6

Project Officer/Senior Project Officer

Reference: Several Positions

Salary range \$58,713 – \$72,587

The positions will be part of a team implementing the Australian Government's Indigenous Protected Areas element of the Caring for Our Country Initiative. We are seeking a professional, experienced person to assist in the management of the Indigenous Protected Areas element within Parks Australia Division of the Department of the Environment, Water, Heritage and the Arts. The Indigenous Protected Areas Section works with Indigenous people to undertake environmental activities to restore and protect Australia's natural and cultural environment.

Successful candidates will have an ability to work with Indigenous communities on environmental issues as well as strong contract management and communication skills. All positions will require the capacity to travel to remote areas in Australia.

Details of employment note: These are expected vacancies for ongoing positions

Note: These are Identified positions and Aboriginal and Torres Strait Islanders are encouraged to apply.

Selection documentation may be obtained by telephoning Kevin McLeod on (02) 6274 2513 or email kevin.mcleod@environment.gov.au or via the Internet at <http://www.environment.gov.au/jobs/opportunities/index.html>

After reading the selection documentation, further information about the positions may be obtained from Kevin McLeod on (02) 6274 2513.

The Australian National Botanic Gardens, Parks Australia Division, Parks South Branch

Horticulturists (On-going Positions)

APS Levels - 3 & 4

Reference: NP

Salary range \$47,738 – \$52,162 Level 3, \$53,731 – \$57,003 Level 4

Two vacancies exist in the horticulture and landscape services unit at the Australian National Botanic Gardens in Canberra.

The Australian National Botanic Gardens specialise in a scientific collection of native plants and is a showcase for Australia's rich flora where visitors can experience about one-third of all Australian plant species.

We are looking for two experienced horticulturists who have a genuine desire to work with Australian plants and landscapes at the Australian National Botanic Gardens. It is desirable that applicants possess qualifications in horticulture or equivalent experience and have experience working with Australian plants.

Selection documentation may be obtained by contacting Mario Catanzariti, Administration Officer, Australian National Botanic Gardens on (02) 6250 9453 or email: mario.catanzariti@environment.gov.au or via the internet at <http://www.environment.gov.au/about/jobs/index.html>

After reading the selection documentation, further information about the positions may be obtained from Craig Cosgrove, Curator, Australian National Botanic Gardens on (02) 6250 9522

Applications must be received by COB 22, June, 2009

Please note: To be eligible for employment with the Department, applicants must be Australian citizens.

A merit list may be used to fill positions over the next 12 months.

All positions are based in Canberra unless stated otherwise.

Indigenous Australians are encouraged to apply.

Additional Information about the Department may be accessed via the Internet address:
