

## BGANZ Secondments.

In an exciting development for BGANZ Members, Employees of BGANZ members, are welcome to apply for a BGANZ Secondment, with one of seven Botanic Gardens currently offering places.

This is a wonderful opportunity for Members to enhance their skills and knowledge. The program is aimed at regional members to gain additional experience, but members from Capital City Gardens are able to apply as well. Places are offered in any discipline, including Horticulture, Science, Education, Management, and Administration.

Members wishing to take advantage of the secondment are asked to contact the Host Garden contact directly, and negotiate Secondment details, or if you need initial assistance please contact BGANZ Chief Executive Officer, Eamonn Flanagan, [secretariat@bganz.org.au](mailto:secretariat@bganz.org.au)

**Please note:** All costs are the responsibility of the Secondee, but some Gardens maybe able to offer Accommodation, Airport Pick-ups, and further support. Please ask what additional support may be available. Insurance details need to be in place. Please contact your employee and the Host Garden contact
