2. BGANZ Professional Scholarship Award. (Value \$2,000)

Previous Winner: Megan Hirst, RGB Victoria

Objective:

To contribute to the ongoing training and development of BGANZ Members through overseas research or work experience with like organisations which will bring a benefit to individual and BGANZ.

The BGANZ Scholarship could be used for a range of professional development opportunities, including but not restricted to travel to study, travel to botanic gardens or associated horticultural institutions. It could be to undertake field trips and collection trips, or even to attend a relevant conference or seminar or to attend a specific training course. These opportunities may be in any country in the world, including Australia and New Zealand.
